

CONSTITUTIONAL ELECTION RETURNS

Early Returns From State and County on the Prohibition and Other Amendments—The Referendum—The Vote in Wauseon—Who Was Elected in Fulton's County Seat

The one overshadowing issue in the election in Ohio last Tuesday was that of the Constitutional Amendment on Prohibition. For long weeks the friends of State-wide prohibition have been waging a strenuous campaign and the liquor people have been no less strenuous. Early returns from over the state indicate that if the state does go wet, and that is still a question, the wet majority will be the smallest in the history of the wet and dry contest in Ohio. Wets were claiming the state by from thirty to forty thousand as late as Wednesday. In all the cities of the state there was a big falling off in the wet vote. The amendment to limit elections on twice defeated questions is lost beyond the shadow of a doubt.

Fulton county has evidently turned in a majority of 1016 in favor of State-wide prohibition. In order that our readers may know how the various precincts in the county stand on this question, we give herewith the vote on the Prohibition Amendment so far as we have been able to ascertain up to the time of going to press.

Totals 2951 1948

Early returns on the vote on other amendments and questions submitted in Fulton county show the following figures: with three precincts as yet not reported, the vote on the amendment to extend the term of county officials to four years was Yes, 2968; No, 617; majority in favor 1851. On the amendment to exempt from taxation all bonds of the State or Ohio or subdivisions thereof, Yes, 2228; No 1028, majority in favor 1190. On the amendment to limit elections on twice defeated questions, Yes, 1296; No, 2545; majority against 1249. On the congressional redistricting bill, with five precincts not reported, 859 for the bill, 1332 against, majority against 473. On the decentralization of the Liquor License Commission, 827 for and 1228 against. Majority against 401.

Reports from the state indicate that the amendment to exempt State, County and Municipal bonds of Ohio from taxation is the only amendment or question submitted that has carried aside from the Prohibition amendment which is still in doubt.

The following officers were without doubt, elected in Clinton township: Trustees, Robert S. Blair, Vol Snyder and J. D. Snyder; Township Clerk, John Dimke; Township Treasurer, Earl D. Wilson; Constable, C. C. Fournier; Ditch Supervisor, D. T. Miller; Justice of the Peace, H. Devo; J. R. Meister; Assessor Phil T. Laver.

In Wauseon the following table will show the unofficial vote on municipal officers and members of Board of Education. Scattering votes of one

KEEP TO THE RIGHT

Mr. Fred Dangler suffered severe damage to his Chevrolet car last Sunday afternoon because the driver of a car from Toledo neglected to follow the above "Law of the Road."

The accident occurred in Swanton on Main street, south of the Lake Shore and Michigan Southern Railway tracks; Mr. Dangler was driving from the east onto Main street intending to turn north on Main street and consequently keeping close to east side of Main in making the turn; just as Mr. Dangler was about to make the turn a heavy car from Toledo driving South on the left hand side of Main street struck the front end of Dangler's car smashing the fender and breaking the front axle so that the car was completely out of commission. Fortunately no one was injured.

The first Mr. Dangler saw of the Toledo auto it was right on him and the driver seemed to be looking down and back at the running gear of his own auto instead of where he was driving.

"Keep to the Right" and the motor under absolute control in crossing street intersections are universal laws of the road, perhaps the Toledo parties are under the impression that when they are out of Toledo they are out of the universe but it's a wrong impression. Wherever one drives an auto, in city town or country they should for their own safety as well as the welfare and safety of others observe the laws of the road, there is no rank, class or caste that is exempt from these laws and those who knowingly and willfully violate them only show themselves to be below the average in human nature.

TAG DAY

Saturday November Sixth is Tag Day in Wauseon—Women of the Civic Club Will See That Every One in Wauseon Has An Opportunity To Wear A Tag.

The need of the Civic Club for funds with which to carry on its work in the relief department, has already been presented to the Public of Wauseon, but "let us forget," here is a final reminder.

To-morrow at the City Hall there will be a "Rummage Sale" and on the shelves of Wauseon every one will be asked to purchase a tag and wear it; the proceeds from both of these events will be placed in the relief fund of the Civic Club and that fund will be used to relieve need of the necessities of food and clothing right in Wauseon. There are cases, not many of them but a number, of real need and there will be more of such cases during the Winter. Children in need of food and proper clothing, because of sickness or some emergency in the home; cases that neither you nor any other citizen would wish to see placed upon the town or county. Emergency cases of the most pitiful kind.

Bear these things in mind to-morrow and pay as much as you can for the tag. The money will not be misappropriated nor will it be wasted. Young ladies of the senior Camp Fire Girls will sell tags on the streets and a detachment of Boy Scouts will visit all residences to sell the tags. Here is where we can all help. Let's do it!

The clothing that remains after the Rummage Sale will be held in store to be used as needed to make some one comfortable, and you can trust the women of the Civic Club to use both money and clothing judiciously.

BEWARE OF CHEAP SUBSTITUTES. In these days of cheap competition it is important that the public should be able to distinguish between the genuine and not take substitutes sold for the sake of extra profit. Chamberlain's Cough Remedy has stood the test, and been approved for more than forty years. For sale by all dealers.

W. R. C. ATTENTION. The W. R. C. District Convention will be held in Wauseon G. A. R. Hall on November 9th. An all day meeting. The ladies of the Christian Church will serve dinner and supper. There will be a camp fire in G. A. R. Hall in the evening beginning at 7:30 to which every one will be welcome.

For lame shoulder rub in and rub on Hanford's Balsam thoroughly.

MADE OVER AGAIN. Mrs. Jennie Miner, Davidson, Ind. writes: "I can truthfully say Foley Cathartic Tablets are the best I ever used. They are so mild in action, feel like I had been made over again. They keep stomach sweet, live active and bowels regular. They banish constipation, indigestion, biliousness, sick headache, Fink & Haumesser."

THE GREATEST POEM

The Makers of Poetry—Every Man May Be a Poet—The Meaning of This—The Plain and Simple Things of Life—The Greatest of all Poems—The Beginning of The Beautiful

What is the greatest poem? Who wrote it? Where may it be found? We closed a previous article by saying that sacrifice is the meaning of the poem that grows in accordance with the original design. If the image in which it was planned is going to be developed, it must be developed in accordance with the original design. This is the principle on which it must be built if its going to harmonize in the great consummation at the end of time. It was founded for this purpose, and this purpose is to produce The Beautiful. The Beautiful we say because it was instituted to be The Beautiful amid ten thousand beautiful things of nature.

CLEAN GLASSES

Ohio State Board of Health—Issued Orders and Regulations Governing the Sale of Ice Cream, Sodas and Soda Fountain Sundries.

The Ohio State Board of Health, have just issued to the Boards of Health and Health Officers of the state a circular setting forth a set of rules to govern the sale of ice cream, soda and etc., recently adopted by the State Board. If these rules which we print herewith are enforced, patrons of the soda fountains will be assured of clean glasses and dishes in which their favorite "tipples and dopes" are served.

The reason for these rules, according to the State Board, is that there is evidence that disease has been transmitted by the promiscuous use of unsterilized cups, spoons, dishes etc. The purpose is to remove this source of danger to the public health by the use of clean glasses and dishes in which their favorite "tipples and dopes" are served.

Rule 1. In order that the sale of ice cream, sodas and soda fountain sundries may be conducted under sanitary conditions the operators of ice cream parlors and soda fountains are hereby instructed that all such goods shall be dispensed only in sterile containers. To this end it is ordered that all soda fountains and ice cream parlors be provided with facilities for the sterilization of dipper, glasses, spoons, serving dishes and any other vessels or utensils coming in contact with ice cream, soda or soda fountain sundries.

Rule 2. Facilities for the sterilization of dipper, glasses, spoons, serving dishes and any other vessel or utensil coming in contact with ice cream, soda or soda fountain sundries shall include:

(a) An adequate supply of hot and cold water of a quality suitable for drinking purposes.

(b) Suitable arrangements for supplying boiling water or live steam.

(c) An adequate supply of clean towels for drying glasses, dishes, etc.

(d) Suitable provision for taking care of sterile glasses, dishes, etc., so as to keep same clean until wanted for use.

Rule 3. All dishes and utensils, after each individual service, shall be washed by (a) rinsing in cold water, (b) then thorough washing in hot water with soap or suitable cleansing powder, (c) then exposing to live steam or boiling water for a period of three to five minutes, (d) then rinsing in clean cold water and draining or wiping dry with a clean towel.

In lieu of the above requirements or when the use of steam is impracticable, the use of live steam or boiling water, paper cups or paper tumblers with individual spoons will be allowed for individual use only.

Rule 4. Refrigerators at soda fountains shall be kept clean by washing with hot water and soap or washing powder.

Rule 5. Employees in ice cream parlors and at soda fountains shall be cleanly in person and dress, free from infectious and contagious diseases and trained in the conduct of their work.

Rule 6. The use of straws is forbidden except when such straws are protected from dust, dirt and handling by employees or others.

Rule 7. As soon as empty ice cream containers, milk and cream cans shall be thoroughly rinsed with cold water and covered so that no foreign matter may enter said containers or cans.

Rule 8. The foregoing rules and regulations shall take effect and be in force on and after January 1, 1916. Adopted September 23, 1915.

Distress in the Stomach. There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." For sale by all dealers.

BOOSTER'S CLUB. The Regular Meeting of the Wauseon Boosters Club will be held in P. & J. Hall next Monday evening. Every member should be present. There are committees to report and matters of community interest to be discussed. Every man who lives in Wauseon or within seven and one-half miles of Wauseon who is willing to help in any way toward making the community better to live in or do business in is eligible to membership. A Pine Whooping Cough Remedy. Mothers, Dr. Bell's Pine-Tar-Honey is just the remedy for your children's cold ailments. The fact is that pine is a quick enemy of cold conditions. Its qualities loosen the mucous in the throat, soothe the lungs and open up the passages. The combination of pine, soothing and pleasant, with the loosening pine quality makes this an ideal cough remedy for children. Each passing year brings for it new demands. A family of growing children cannot afford to be without it. 25c a bottle.

FAREWELL RECEPTION. A very pleasant event not unmixed with regret on the part of those present was the farewell reception accorded Dr. and Mrs. G. B. Tutthill and family last Friday evening by the Wauseon Chapter O. E. S. at their lodge rooms. A pot luck supper was served and the evening spent in pleasant social intercourse. Dr. Tutthill has very efficiently served the Wauseon chapter as Worthy Patron and the chapter feel that they lose a excellent member of their order in the removal of Dr. and Mrs. Tutthill to Elkhart, Indiana, where Dr. Tutthill has a position as Vice President and Assistant Treasurer of the C. G. Conn Limited.

FROM CALIFORNIA

Mrs. Lulu Plattner Writes Interesting Letter From Oakland, California To Old-Neighbors and Co-Workers in Fulton County.

We certainly are appreciating the privilege of a vacation trip which we have planned to take us from the home county of Fulton to the great northwest city of Seattle and thence westward to San Diego, then on homeward route by way of Salt Lake City, Denver, etc.; but we will stop for a little while in Seattle, where we enjoyed the 42nd Annual Convention of the National W. C. T. U. where there were women from nearly every state in the U. S., also fraternal delegates from Canada, Alaska, etc.

Some were enroute from China, but were detained from attendance by auto accident, not seriously injured, but unable to come on at once. All the sessions were instructive and the many department meetings were of special benefit to all workers to inspire them to work along the varied lines of the W. C. T. U. as, for instance, the National Prohibition, the Platform "Night" when each state and town showed the clearest and the most enthusiastic and rejoicing of the already "dry" nineteen states, made us long more than ever that our beloved Ohio may join their ranks this fall. We wish we could impress every state with the fact that the dry cities and towns showed the cleanest and most prosperous conditions even from railroad stations. Also in this national gathering we were more than ever impressed with the necessity of National Constitutional Prohibition, because just so long as it (beverage liquor) is manufactured in one state, it will ever ride the laws of the dry states, by shipping it in, in some way. In our enjoyment of all we see and hear our thoughts are often going back to the wonderful campaign Ohio is going through, and our earnest wish and prayer is, that righteous Ohio be in being the twentieth day state. I want to tell a little of the trip coming to Seattle. In Chicago we boarded the White Ribbon special which was so long and heavy a train that it was divided into two sections at Omaha. Many more delegates joined us as we went westward. At Payette, Idaho our first treat was brought to us in the way of plums and apples. At The Dalles, Oregon, the people of the city welcomed us with a fine luncheon, places for four hundred to sit down to eat at once.

We were cordially invited to carry away all the fruit which we did not eat. We tried our best to do so but could not carry all. Then we were met in Portland by autos and given a two-hour tour of the city. In Seattle all arrangements were made for lodging and breakfast free for delegates and special rates in hotels for all visitors. A free auto tour of Seattle was also given, where we had splendid opportunity of enjoying the climate as well as the climb-it which of course makes the city beautiful to look at, if not so nice to walk in. As this letter is getting so long, I will close now, hoping to hear of Ohio's joining the ranks of dry states this fall.
